AMERICAN MINERS WORKING.

Terre Haute, Ind., March 29 .- A decleration by American miners in ses-sion at Jasonville tonight that foreign-

ers must leave the Bogle mine, north of there, is causing much alarm. A delegation of American miners armed

with revolvers carried this warning to the aliens, following a mass meeting at Jasonville tonight. Since nightfall several shots have

been fired there, but no one was hurt and no arrests have been made. The trouble had its origin Saturday

night, when several foreigners declar-ed they would not allow the Ameri-cans to work at the Bogle mine. To-day 35 Americans were prevented from

HUNGARIANS PREVENT

Plausible Defense.

Sharon, Pa., March 29.—It required but a few minutes this afternoon for the preliminary hearing of James H. Boyle, charged with the abduction of Willie Whitla. Two questions and answers made up the proceedings.

"What is your name?" asked Justice Giftert.

What is your name?" asked Justice Giftert.

"James H. Boyle," was the reply.
"Do you want a hearing on the charge of abduction now?" he was Not at this time, he replied, and the

Bail was fixed at \$25,000 and the prisoner was returned to the jail at Mcroer on the first train. Haif a theusand persons, impelled by curiosity, surrounded the railroad station, but no demonstration against Boyle was made

or indicated.

Tonight it is stated Mrs. Boyle will
not be brought here for a hearing. The
statement that she was Heien McDermott is doubted here. She has cheen
positively identified by Sharon people
as James Boyle's wife, but beyond that
her identicy is not known here.

Boyle Quivered With Fear.

Mercer, Pa., March 29.—The preliminary flearing and safe return to the Mercer jail of James S. Boyle and the rumor that his woman companion may entirely escape prosecution and soon regain her liberty are the developments of the day in the Whitla kidnapping case.

No one but James Boyle had any fears for his safety today when he was taken to Sharon for arraignment, but he was hadly frightened. Quivering with fear and nervously begging the officars for protection, he faced a crowd of hundreds of persons attracted merely by curiosity and is happier tonight here wened to her and that they were to get a sarrest. Dreading the return to his home town, Boyle was very nervous last night and slept little. He was scarcely able to murmur the words waiving a hearing in the court room and almost collapsed at the station

Cabled Paragraphs.

Antwerp, March 29.—The reports re-eived here that Cipriano Castro ha hatered a vessel in Antwerp for rev olutionary purposes in West Indo-waters, led to a diligent search in a effort to locate the vessel, but inve-tigation has failed to reveal any evi-dence of such a charter.

Seoul, Korea, March 39.—From reports received from the interior of Korea it appears that the activity the insurgents is increasing with the coming of spring. From several points it is reported that residences of district magistrates have been raided am government funds seized.

Peking, March 23.—It has been de-olded to permit representatives of the dicial press of China, as well as foreign newspaper correspondents, to wit-ness the funeral services May 1st over the bedies of the late emperor and dowager empress. This is the first time the press has been recognized in

Rome, March 29,—Among the Americans going to Naples to meet Theodore Roosevelt when he arrives there April 4 are Lloyd C. Griscom, the erican ambassador to Italy; Mrs. Rushforth, Mr. Roosevelt's cousin. Miss Carew, Mrs. Roosevelt's sister, and Francis B. Keene, the American consul at Geneva, who was a classmate of Mr. Roosevelt at Harvard.

Mrs. Boyle May Soon Go Free.

The opinion is spreading among the people of this county that Mrs. Boyle will not be prosecuted, but that she will very soon be quietly eliminated from the case and he allowed to depart. There is said to be no local proof whatever to connect her with the abduction and as she absolutely refuses to ald the local officials in the slightest, the supposition is that she will soon be free. This is borne out by the delay in arraigning her. It is said he, prosecution is not eagerly desired by Mr. Whitle, whose wishes are likely to be respected. Italian Steerage Passenger Put in Irons by Order of Hamburg's Captain-Ship Arrives Fayal-All Well.

Horta, Fayal, March 29.—The steamship Hamburg, with Theodore Roosevelt and members of his party on board, put in here today, to leave the mails. A de Fretas, the governor of Horta, went out to the Hamburg and welcomed Mr. Roosevelt, after which the members of the party were taken ashore by the governor and driven through the town. All the members of the Roosevelt party are well.

Assailant Placed in Irons. Assailant Placed in Irons.

London, March 29.—A despatch to The Standard from Horta says that when the steamer Hamburg arrived it was learned that an attempt had been made aboard to assault ex-Presiden Roosevelt, but that it was frustrated and his would-be assailant placed in

irons.
London, March 30.—The Daily Mail's
Horta correspondent says: "Reports
are current and I repeat them with reserve that an attempt has been made
on the life of ex-President Rooseveit." Assailant's Name Is Giuseppi Tosti. New York March 29.—Giuseppi Tos-, a steerage passenger on the Ham-urg, is the man who threatened ex-

ti, a steerage passenger on the Ham-burg, is the man who threatened ex-President Rooseveit, according to a special despatch from Horta to The World. The incident happened soon after the Hamburg was losing sight of America. Tosti broke from his com-panions in the steerage and started or the upper deck where Mr. Roose-veit was standing with his son Kermit. "He has let them take away my child." Tosti is said to have shouted in English. "Now he shall pay for it." Placed in Irons.

Sailors seized Tosti, quickly mastered him, carried him below and by the captain's orders put him in irons. The incident, it is stated is known only to Mr. Roosevelt and a few of his fellow passengers. Tosti, after his imprisonment, refused for four days to eat, crying "Roosevelt is trying to poison me". ing "Roosevelt is trying to poison me." The ship's doctor now must taste all food offered to Tosti before he will eat

PINKERTON DETECTIVE SHOT ROBBER IN RUNNING ELEVATOR Desperate Hand-to-Hand Struggle-Detective Loses a Finger.

New York, March 26.—Frederick Johnson, 32 years old, an elevator man in a Fifth avenue apartment house, was shot and killed tonight by Jeseph Parise a Pinkerton detective, during a hand-to-hand struggle in a running elevator in the building. The detective a hand-to-hand struggle in a running elevator in the building. The detective in the company's poles or meddle with the wires. The theory is advanced that the wirecutters were members of a band of robbers and that the place had a finger of his left hand shot off in the fight and is in Flower they had planned a local job for to-hospital. According to Parises story there have been numerous robberles in the fashionable apartment house for cities should the police get on their than they were catch the thief. Today, he claims, he communication with nearby cities should the police get on their they were catch the thief. Today, he claims, he common with the strangers had no author-hand struggle in a running elevator in the building. The detective thing what had happened. I never told him anyther by all the members from the wholesale dry goods men claiming that the cotton goods schedule will largely raise the duties on this class of goods, doubling that they were the fashionable apartment house for the fashionable apartment house f catch the thief. Today, he claims he caught Johnson in the act of entering an apartment on the eleventh floor, the tenants of which were away. Johnson readily submitted when detected and the men started for the lower floor, Johnson managing the car.

When the ninth floor was reached Johnson, whose ready submission had put Parise off his guard, attacked the detective, throwing him violently to the floor. He was endeavoring to best catch the thief. Today, he claims he

Johnson managing the car.

When the ninth floor was reached Johnson, whose ready submission had put Parise off his guard, attacked the detective, throwing him violently to the floor. He was endeavoring to best and kick Parise into unconsciousness, according to the Pinkeston man's story, and kick Parise into unconsciousness, according to the Pinkerton man's story, when the latter managed to draw his revolver. Johnson kicked it from his grasp, then took it and fred at the detective, shooting off his linger. Parise and the elevator man then closed in a terrific hand-to-hand struggle for the weapon. In some manner during the fight the elevator came to a standstill at the third floor. Here the men fought back and forth for some minutes until the detective finally gained possession of the revolver. He outside, fired two shots one gains quickly fired two shots, one going through Johnson's left eye and the other through his heart, and Johnson fell dead. Parise is a prisoner in the hospital on the technical charge of

Mail Advices from Paris say that financiers are seriously alarmed over the outlook under a hudget appropri-ating 4,000,000,000 francs. -Mr. Stone Despondent Over Iliness

There is Great Interest in Washing-ton in the wave of economy which is sweeping through executive and legis-lative branches of the government.

Niantic, Conn., March 29.—D. E. Stone, 50 years old, a farmer, committed suicide today by taking cyanide of potassium at his home on the Suiritualist camp ground here. Mr. Stone had been despondent for the past few days over the illness of his daughter Stella, who is in the New Haven hospital, and during the day remained in his room. His wife, fearing that he was ill, called Dr. G. M. Barrett, who on his arrival went to Stone's room.

Doctor Found Door Lecked. Mine Operators Issued a Statement that miners have done nothing to carry out the plans of the strike commission of 1902, and said similar conditions exist now.

it Was Announced at Mercer, Pa-that search had been begun in Penn-sylvania and Ohio for three supposed accomplices of the chief figures in the Whitla kidnapping case.

it Was Reported from Albany that the bill backed by half a dozen clergy-men legalizing the opening of saloons from 1 to 11 p. m. on Sundays was practically certain to be defeated.

Doctor Found Door Locked.

The door was locked and when the doctor called Stone's name he was answered by a shot from a revolver, the bullet crushing through the lower part of the door. A deputy sheriff was called, and accompanied by Dr. Barrett they returned to Stone's room and on getting no reply to their call broke in the door, which they found barricaded on the inside. On breaking into the room they found Stone lying dead on a bed a small glass lying on a table near the bed and a package which had contained the poison lying on a bureau. The revolver was found on the bed near Stone's left hand.

Stone had been dead but a short time when the room was broken into and was probably preparing the poison when first called and fired the revolver to frighten the physician and pre-King Peter's Second Son was for-melly made crown prince of Servia. At the same time the European powers came to a full agreement in regard to means to insure peace in the Balkans. The News That Russia Had Receder from her attitude on the Balman ques-tion was received with shame and anger by the St. Petersburg press. There is talk of a new loan by which the country may so strengthen its military

position as to refuse dictation from

(Special to The Bulletin.) second Woman to Be Put to Death in Washington, March 29.—All day yes-terday the chairman of the ways and means committee of the house, the republican members and the speake were in conference on the Payne bil Auburn, N. Y. March 29.-Mrs. Mary Farmer was put to death in the electria chair in the state prison at 6.15 to-day for the murder of Mrs. Sarah Brennan, a neighbor, at Brownsville, N. Y., on April 23, 1968—the second in-fliction of the death penalty on a wo-man by electricity in this state. Five women, two of whom were prison at and several changes are sure to be made in gome of the schedules as a result.

When the house met this morning was at ten o'clock, and they will sit until ten-thirty this evening, with an hour or so for dinner. This will be man by electricity in this state. Five women, two of whom were prison attendants, were present. Father Hickey, after the execution, gave out a statement signed by Mrs. Farmer, in which she declared that he, husband, James Farmer, was entirely innocent, and knew nothing of the crime until after it had been committed. It read: "To Rev. J. J. Hickey: My husband, James D. Farmer, never had any hand in Sarah Brennam's death, nor never knew anything about it till the trunk was opened. I never told him anything what had happened. I foel he has been terribly wronged. I fines D. Farmer was not at home the day the hour or so for dinner. This will be
the regular thing from now on until
the bill has been sent to the senate.
Within the last few days the members of the Connecticut delegation
have been receiving letters and petitions protesting against some of the
schedules, this, notwithstanding the
fact that it has been charged on the
floor and in the newspapers that New
England has the best of the rest of England has the best of the rest of the country in the making up of the bill.

by the manufacturers who are send-ing petitions for the retention of the

facturers in New England, the Smith-Worthington company, of Hartford, relating to their product. They make the claim that imported saddles are luxuries and should be axased the lim-it. New York March 29.—George B. Cortelyou, former secretary of the treasury, today took up his new duties as president of the Consolidated Gas company of this city.

CRAZY SNAKE SURROUNDED

Three Hundred Militiamen, Cowboys and Deputy Sheriffs Closing in on Leader.

HIS CAPTURE EXPECTED AT DAYBREAK

Lively Engagement Monday Afternoon with Detachment of Indians-Redskin Force Breaks Up Into Small Bands-Many Rumors of Conflicts-Captives Taken in Bushwhacking Fight Sent to Hickory Grounds.

ment of Crazy Snake's band of beilig-erent Indians were surrounded by dep-uty sheriffs this afternoon near Crazy Snake's home and a lively battle en-sued. More than 200 shots were fired and one Indian was killed. Eight In-dians were captured and the remain-der fied with the deputies in pursuit.

Indian Detachments Routed.

There were about fifteen Indians in the band and they had taken refuge in a house. The deputies had tracked them for some distance. Advancing from all sides, the posse fired a volley at the frail house. The Indians rushed out, scattered among the trees and made a valiant defense. The posse, firing steadily, advanced and routed the band. None of those captured are seriously injured, but it is said that a number of other Indians were hit with buillets.

Sub-Chief Little Tiger Captured. Crazy Snake's band apparently has

Crazy Snake's band apparently has proken into numerous small groups. It seemed at nightfall that each indian was trying to accomplish his own disan was trying to accomplish his own dreams of the chieffain, to realize which they were called together Sunday by the smoke of signal fires. All efforts at organized resistance seemed to have been dropped with the sinking of the sun tonight. The militiamen seemed well able to be surprising

PHILADELPHIA NAVY YARD RUNNING FULL HANDED of Returned Battleship Fleet

Undergoing Repairs. Philadelphia, March 29.—The return Philadelphia, March 23.—The return of the hattleship fleet from its tour around the world has proven a great boon to the hundreds of employes at the Philadelphia navy yard. Four of the big ships, the Illinois, Kearsarge, Kansas and Georgia, which are at the yard, are undergoing repairs, and all the departments of the yard are running full handed and on full time. More than 1,500 mechanics and artisans are enjoying the prosperity

since its return and many new im-provements, especially in the turrets hr and take refuge on the adjacent and firing apparatus, have been recom-mended.

made of tubuar lattice work, will be placed on every ship, and they will also be equipped with a recently patented ash ejector. At the naval constructor's office great secrecy is maintained as to the proposed changes in the firing apparatus. The battle firing battle formation and target practice are said to have revealed some defects. are said to have revealed some defects which must be remedied to bring the big war craft up to their highest fight-

BALKANS SETTLEMENT Apparently Does Not Meet With Popu-

lar Approval. Beigra to, March 25.—Servia has sur-rendered completely to the demands of Europe, and the tension of six months over the Balkan situation will come to an end this afternoon. The action of Servia, it is hoped here, will set the Balkan "question" at rest for many years.

tion of the powers with respect to the controversy between Servia and Austria-Hungary has been postponed until tomorrow, as the Russian minister has not yet received instructions from St. Petersburg.

The settlement apparently has not

The settlement apparently has not met with jopular approval, as the volunteers, while returning from military exercises under regular officers, were the object of ridicule as they passed through the streets today with bayonets fixed and the band playing.

M. Milovanevics, minister of foreign affairs, in explanation of Servia's attitude, says that the formula proposed by Great Britain and approved by Austria is acceptable to Servia be-cause it does not centain anything compromising to Great Britain or any-

SERVING TIME AT JOLIET. Vice President of Failed Bank Begins Indeterminate Sentence.

bing that would impugn the nations

Sorrow, vice president of the Bank of America, which failed some years ago as a result of conspiracy of some of its officials to defraud the stockholdas a result of conspiracy of some of its officials to defraud the stockholders and depositors, is now serving an indeterminate sentence in the penitentiary at Joliet. Although Sorrow was taken to Joliet last Thursday, news of his incarceration only became public today. Tired of fighting a sentence to prison and convinced that every means had been exhausted in the effort to retain his liberty, the former bank official went quietly to Sheriff Strasshelm last week and asked that he be taken to the penitentiary.

and amendment to the rules, furnishing the only exciting incident.

Those who spoke on the tariff were Messirs, James of Kentucky, Cushman of Washington, Kennedy of Ohlo, Gfiletts of Massachusetts, Scott of Kanas. Peters of Massachusetts, Diekma of Michigan and Hull of Tennessee.

Death of Pioneer Writer of Metaphysical and Mental Healing Works.

Rear Admiral George A. Converse

Dead. Washington, March 29 .- Rear Admiwashington, March 29.—Rear Admiral George A. Converse died at his home here tonight of uraemic poisoning. Although placed on the retired list several years ago, he was in active service at the time of his death, being president of the board of construction of the navy. He was confined to his home only a few days before his death, the immedate cause of which set in only a day or so ago.

Oklahoma City, March 29.—Chitti Harjo (Crazy Snake) was surrounded at midnight in the North Canadian bottoms near Pierce. Three hundred militamen, cowboys and deputy sheriffs were closing in on him and his capture was expected at daybreak.

Fight Near Crazy Snake's Home.
Oklahoma City, March 29—A detachment of Crazy Snake's Home.
Oklahoma City, March 29—A detachment of Crazy Snake's home and a lively battle ensued. More than 200 shots were fired and one Indian was killed. Eight In-

Captives Under Heavy Guard. The captives were started for the militia camp at Hickory Grounds under heavy guard. Orders were issued that the search be kept up and numerous parties went out during the early hours of the night to round up the renegades. As fast as they are captured they will be hurried to Hickory Grounds. By this means the soldiers expect to avoid a pitched battle, but they regarded it as probable that numerous small engagements will be fought.

Disquieting Conditions Exist. The Indian killed by the poses was the only fatality of the day reported to Colonel Hoffman, who is in com-mand of the state troops. There are

\$1,000,000 FIRE DAMAGE

IN HAVANA HARBOR Two Piers of Havana Central Rallroad Totally Destroyed.

Havana, March 29.—Two piers of the Havana Central railroad in the upper part of the harbor were totally destroyed by fire which broke out at 11 o'clock this morning. It is reported the fire was of incendiary origin. The total damage done is estimated at \$1,000,000, which is covered by insurance.

More than 1,500 mechanics and artisans are enjoying the prosperity.

A council of the line officers and engineers of the battleships included in the world-encircling flect has been held A new yavular device is to be put in the ships' tubing, fire control masts, made of tubular lattice work, will be placed on every ship.

Distribution of Republican Member In ship of Finance Committee Criticised

ate today Senator Hale, chairman the republican caucus, introduced The Illinois and Kearsarge, while being kept in commission, will be maintained as a part of the reserve squadron at the navy yard. They will have new bollers installed.

dentrary to expectation the resolu-tion aroused a spirited discussion, but the debate dealt with other subjects than the limitation of business. Ap-parently there was no objection to such limitation, but the measure went

such limitation, but the measure went over until Thursday to allow rurther consideration of the question.

During the session Senator Elkins of West Virginia, took occasion to criticise the distribution of the republican membership of the finance committee, declaring that while New England has three members on the committee the south has been entirely denied representation. nied representation. His tone was very similar to that of Senator Scott. his colleague, who also criticised the distribution in the republican senstor-ial caucus last Monday. At 2.95 p. m. the senste adjourned until Thursday.

Democrate Find Much in Payne Bill to Criticise and Condemn.

question was again discussed in the house of representatives in a ten and a half hour session. Not one of the a half hour session. Not one of the many speakers favored the Payne bill in its entirety, while the democrate found much in it to criticise and condemn. The maximum and minkenum features of the proposed measure were especially obnoxious to them, while republicans urged higher duties on lumber, iron, pottery and sine ore, as well as a duty on coal.

Mr. Moon of Tennessee scathingly denounced those of his democratic colleagues who adopted the caucus resolution disciplining the twenty-three democrats who supported the Fitzgorald amendment to the rules, furnishing the only exciting incident.

Detroit. March 29.—The death was announced today of Henry Wood, one of the pioneer writers of metaphysical and Mental healing works, and the author of a score of books on the subject. Mr. Wood was born in Barre, Vt. in 1834, and fr the past ten years had been connected with a local publishing house. He leaves a widow in the property of the property of the property of the past ten years had been connected with a local publishing house.
